- (5marks)

Test 6

Read the poem and answer the questions.

Autumn in the time of year
 When changes start to happen here
 The days grow short. It's cold outside
 The birds fly south. The squirrels hide.
 The leaves fall off all the trees.
 The garden pond begins to freeze.
 Another summer's left behind
 It's winter soon, but I don't mind
 For Autumn is the time when I
 Begin to dream of pumpkin pie.

1. Where do the birds fly?
2. Which animal hides?
3. What happens to the garden pond?

Test 9

Select the suitable word from the bracket and rewrite the sentences.

1325

.....(10marks)

Text 10

Read the text and answer the questions given below.

Let's save Water

All living beings need water. Humans, animals and plants cannot exist without water. Earth is the only planet which has water and air. So without water there wouldn't be life on earth.

The earth consists of 71% of water and only 0.01% of drinking water. Water is scarce to the human activities of man. Water is useful to us in many ways. We use water for drinking, domestic use, for agriculture, for industries and factories, to produce hydro- electricity, to make medicines for building constructions much more.

1. What is the text about?

2. Who need water to live?
3. Write three uses of water mentioned in the text?
-
4. Can human live without water?
5. Find a similar word from the text.

(a) Want.....

(10 marks)

(50 - 75 Words)

(10marks)

Test 12

No	Name of the bird	No of species	Colour	Weigh of the egg

(08 Marks)

Test 12

Grade - 08

Listening Text

Kiwi

The National Bird of New Zealand. There are five species of Kiwi and all of them are flightless and nocturnal. They are brown in colour and the same in size as a chicken. They have hidden wings and soft hair like feathers. Unlike the other birds, that have nostrils at the base, Kiwis have their nostrils on the tip of their bill. The female birds lay comparatively large eggs that can weigh up to about 500 grams.
